

Surviving on the Spectrum ***Family Autism Support Team***

We owe it to our children and our community to find out all we can to help smooth the way for newly diagnosed children on the Autism Spectrum and their families, to uplift the families that have been on their journey a little longer, to support our public school system, to interact within our community and become supporters for one another. Together we will strive to succeed in this path that we choose to make.

SOS-FAST is an Autism support group. It was started in Burke county and now we would like to start a support group in McDowell County.

Our first meeting will be:

Date: 2nd Tuesday of the Month

Time: 6-7 pm

Location: McDowell County Public Library (downstairs meeting room)
